Minsk, Belarus

Dear Colleagues!

We have honor to inform You that the Association of foundrymen and metallurgists of the Republic of Belarus together with the exhibition company JSC MINSKEXPO will organize the International Exhibition of the foundry and metallurgical technologies **LITMETEXPO-2018 from April 10 to April 13, 2018 in Minsk city** together with the exhibition „Machine Building – 2018”.

The **LITMETEXPO-2018** will give real opportunity to be acquainted with modern technologies, to find new partners and consumers, to extend sales channels, to improve awareness of the participants of your company brand, to test new projects and to establish new contacts with the clients from the Common Economic Space and Customs Union.

This event is well known and becomes more and more popular in business communities of domestic industrialists and partners from abroad. Such well-known companies as FURTENBACH (Austria), DISA, ABP, HWS, SMS Meer (Germany), OMEGA (Great Britain), EGES (Turkey), HAP (Poland), SIA (Latvia), TACHTECH, ASK (Czech Republic) and others regularly participate in LITMETEXPO exhibitions (biennially).

The Association of foundrymen and metallurgists of the Republic of Belarus has an honor to invite You and your business partners to participate in this event. During this exhibition we are ready to organize presentation of your company and all business contacts you need.

Kindly inform the organizing committee about your decision.
